CATALOGUE AUGUST 2020

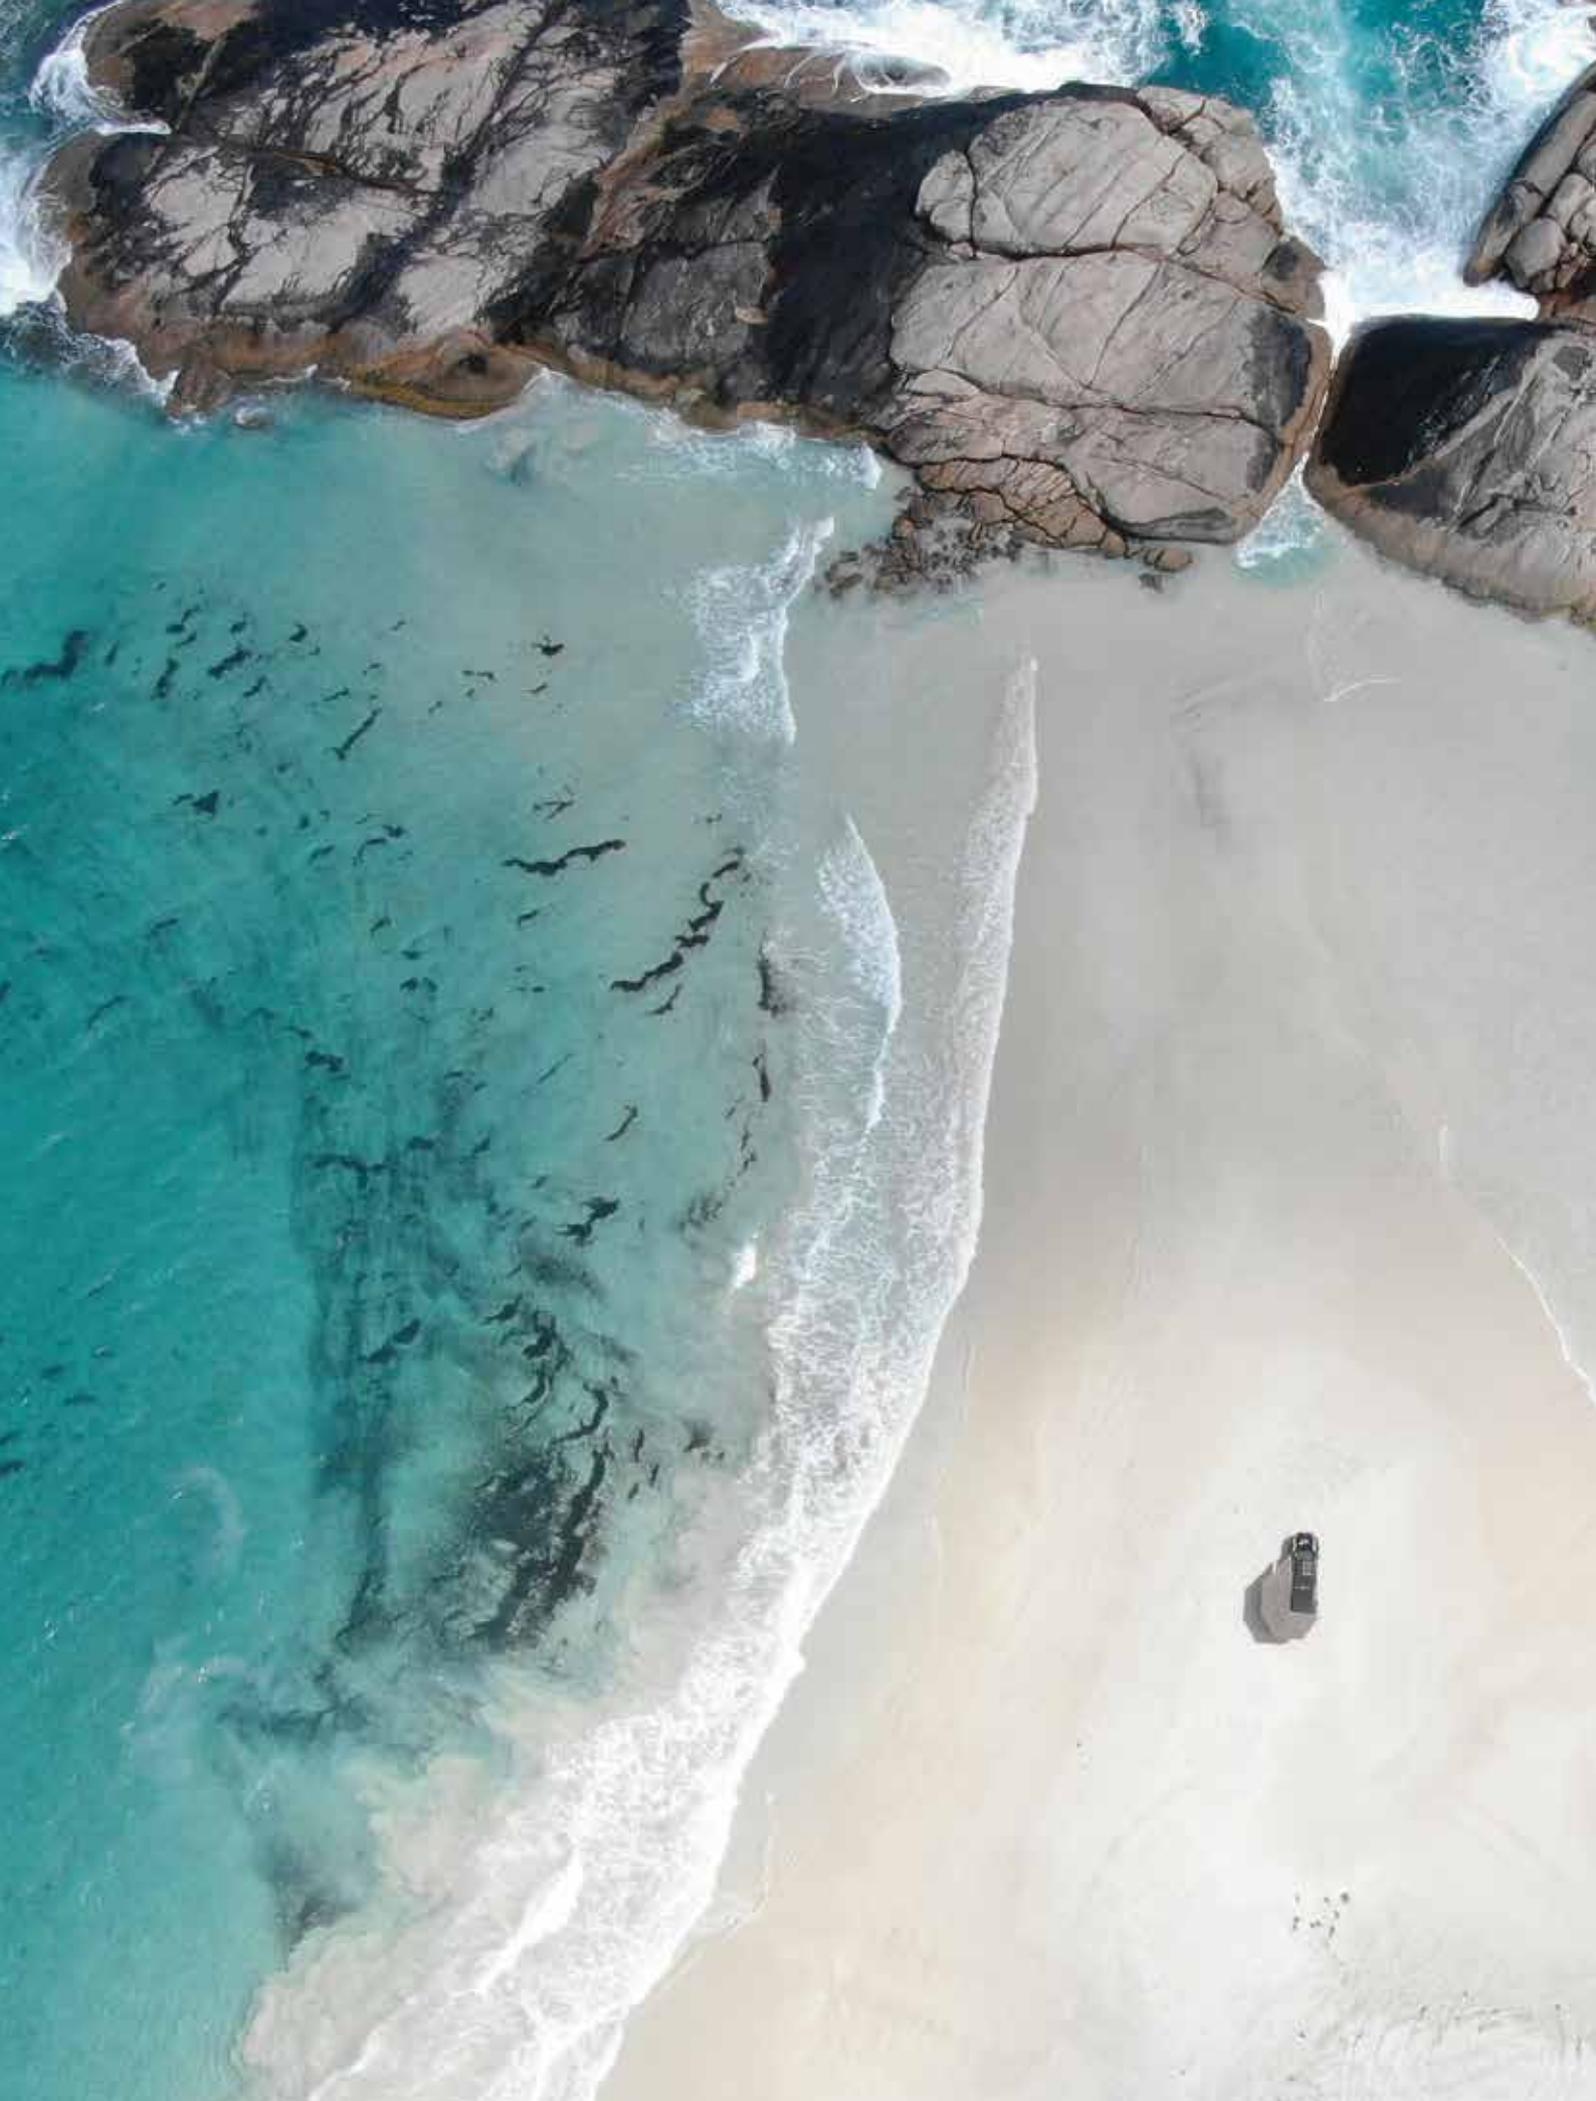

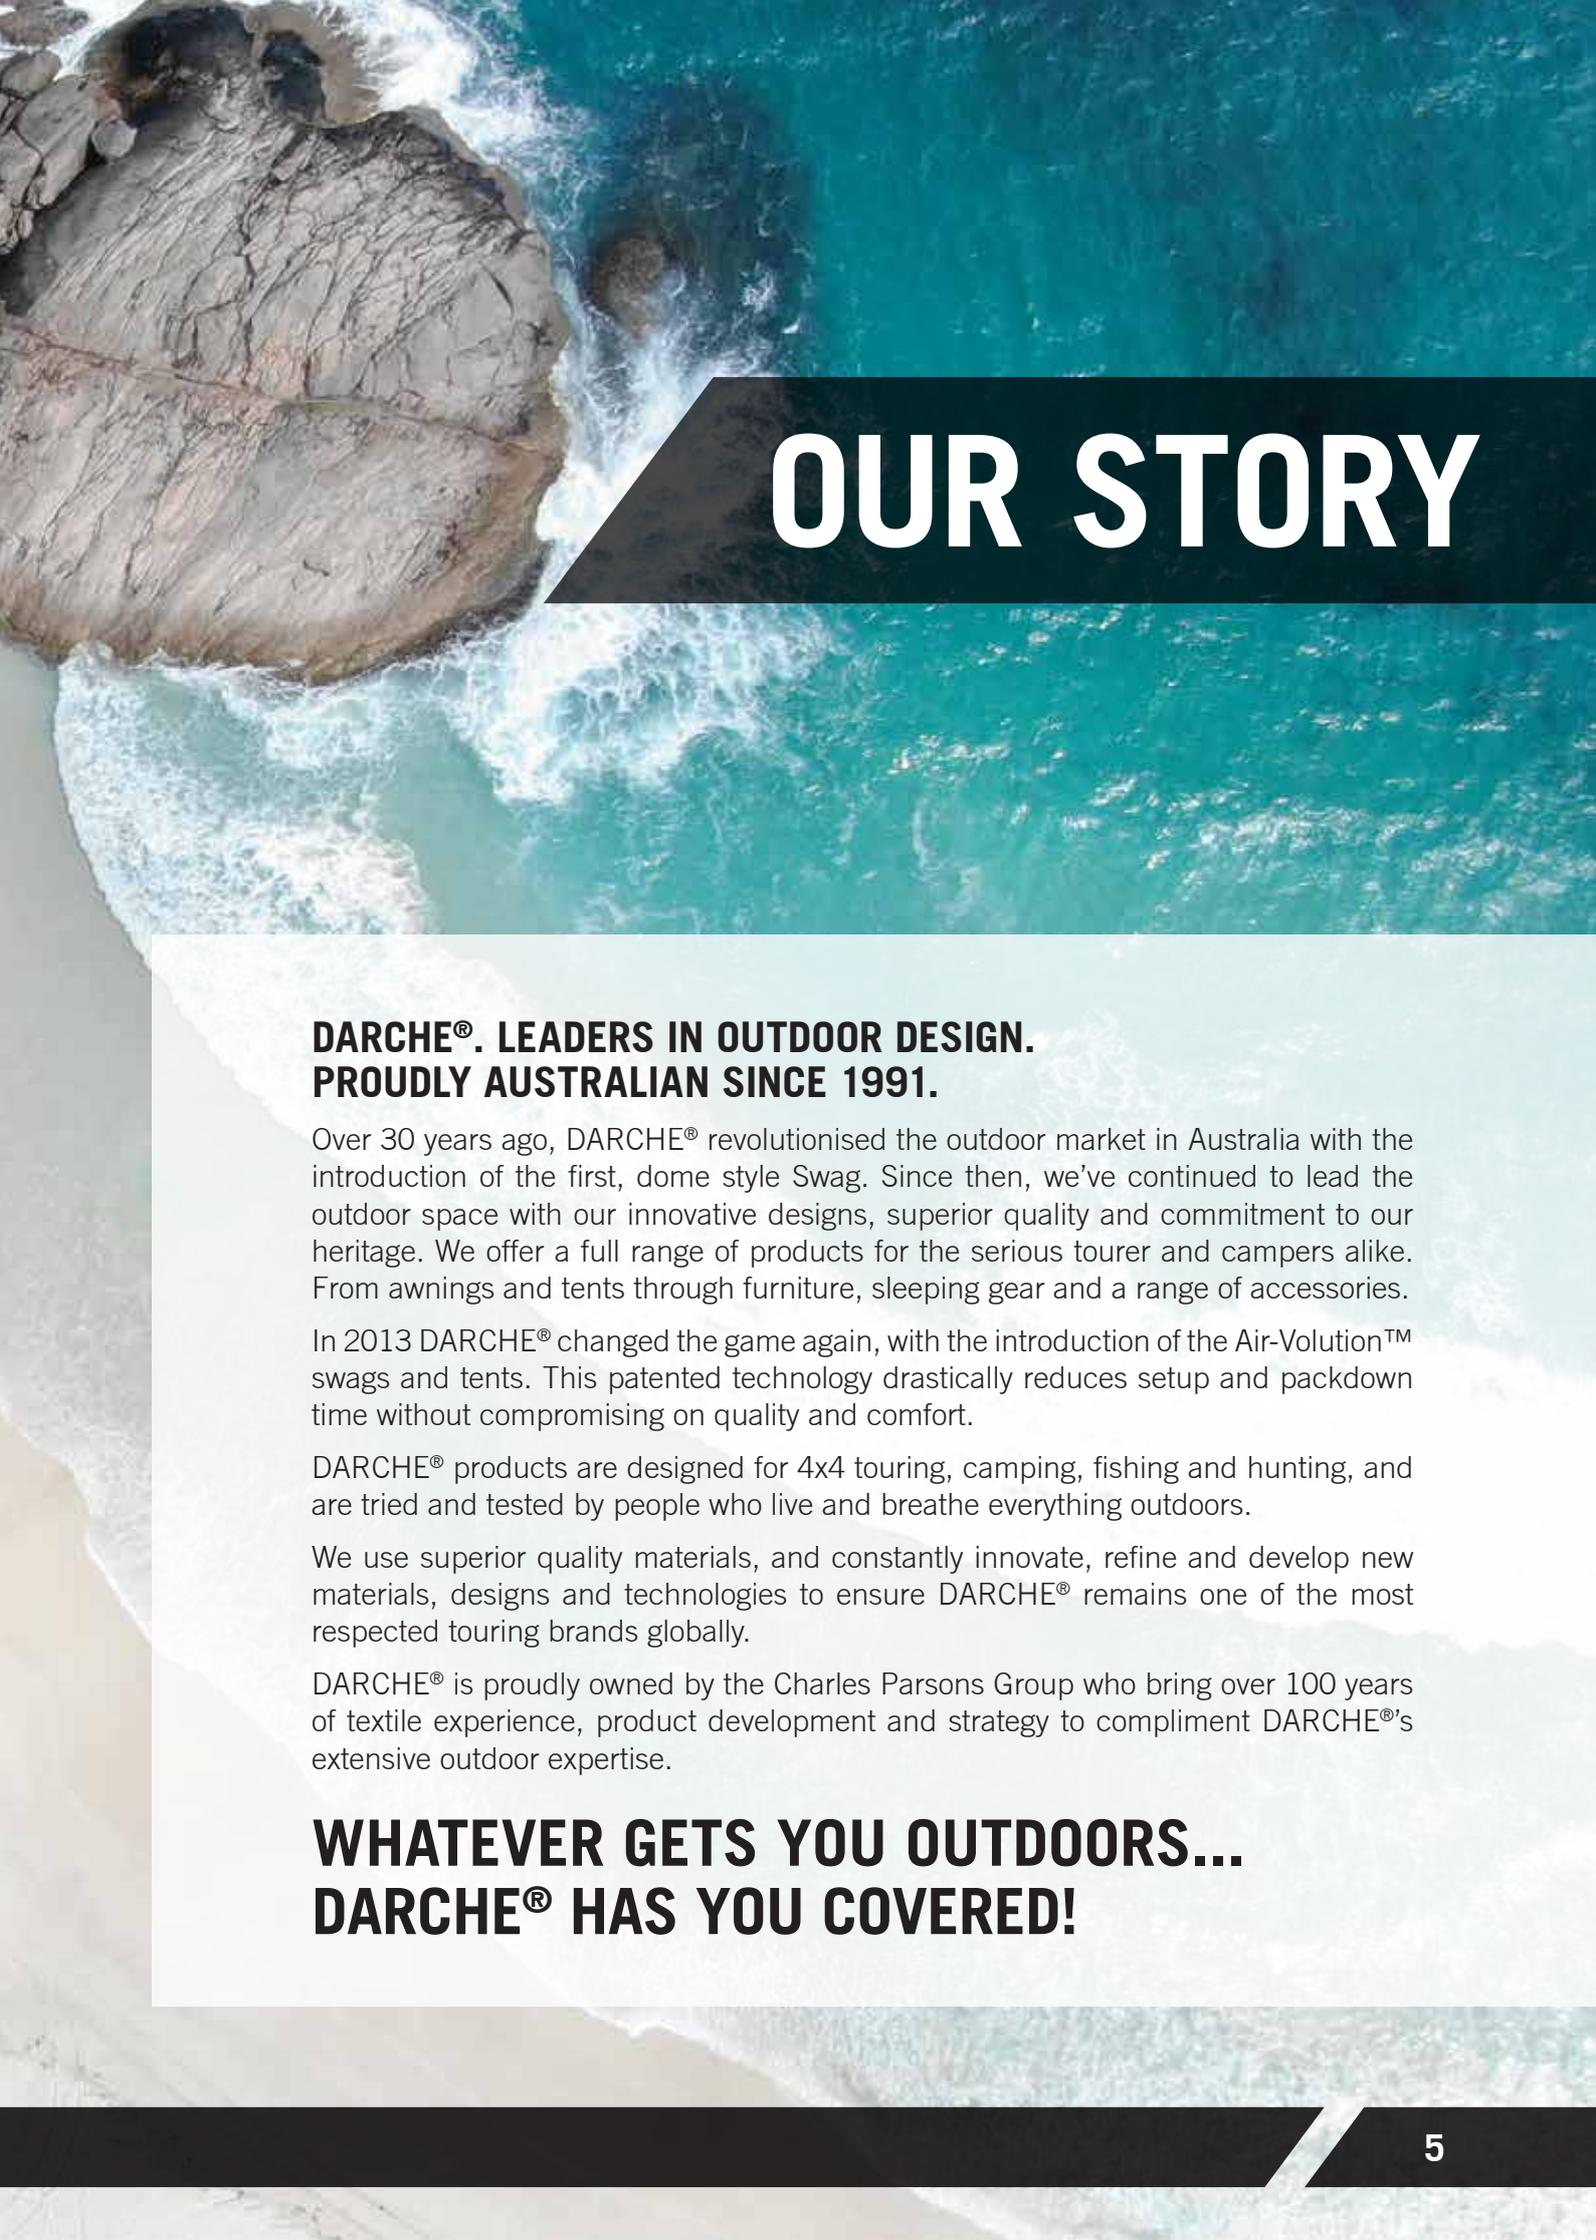

[darche.com.au](http://darche.com.au)

\* At DARCHE® we are constantly innovating and improving our products' features applications and benefits. All products featured in the DARCHE® Catalogue and on the DARCHE® website are subject to colour, price and specification change as we continue our development program. Due to the high natural cotton content in our canvas and the large surface areas; specifications and measurements listed in this catalogue are close approximations only, subject to commercial tolerances and accurate to +/- 1%. All accessories and props shown in illustrations are optional, unless otherwise stated. With the exception of all spares and accessories, and subject to certain exclusions, and unless otherwise stated, all DARCHE® products are covered by a limited three year warranty in Australia and New Zealand. Further details are available on our website. International consumers are covered by applicable warranties as stated in their respective consumer laws.

# OUR STORY

## **DARCHE®. LEADERS IN OUTDOOR DESIGN. PROUDLY AUSTRALIAN SINCE 1991.**

Over 30 years ago, DARCHE® revolutionised the outdoor market in Australia with the introduction of the first, dome style Swag. Since then, we've continued to lead the outdoor space with our innovative designs, superior quality and commitment to our heritage. We offer a full range of products for the serious tourer and campers alike. From awnings and tents through furniture, sleeping gear and a range of accessories.

In 2013 DARCHE® changed the game again, with the introduction of the Air-Volution™ swags and tents. This patented technology drastically reduces setup and packdown time without compromising on quality and comfort.

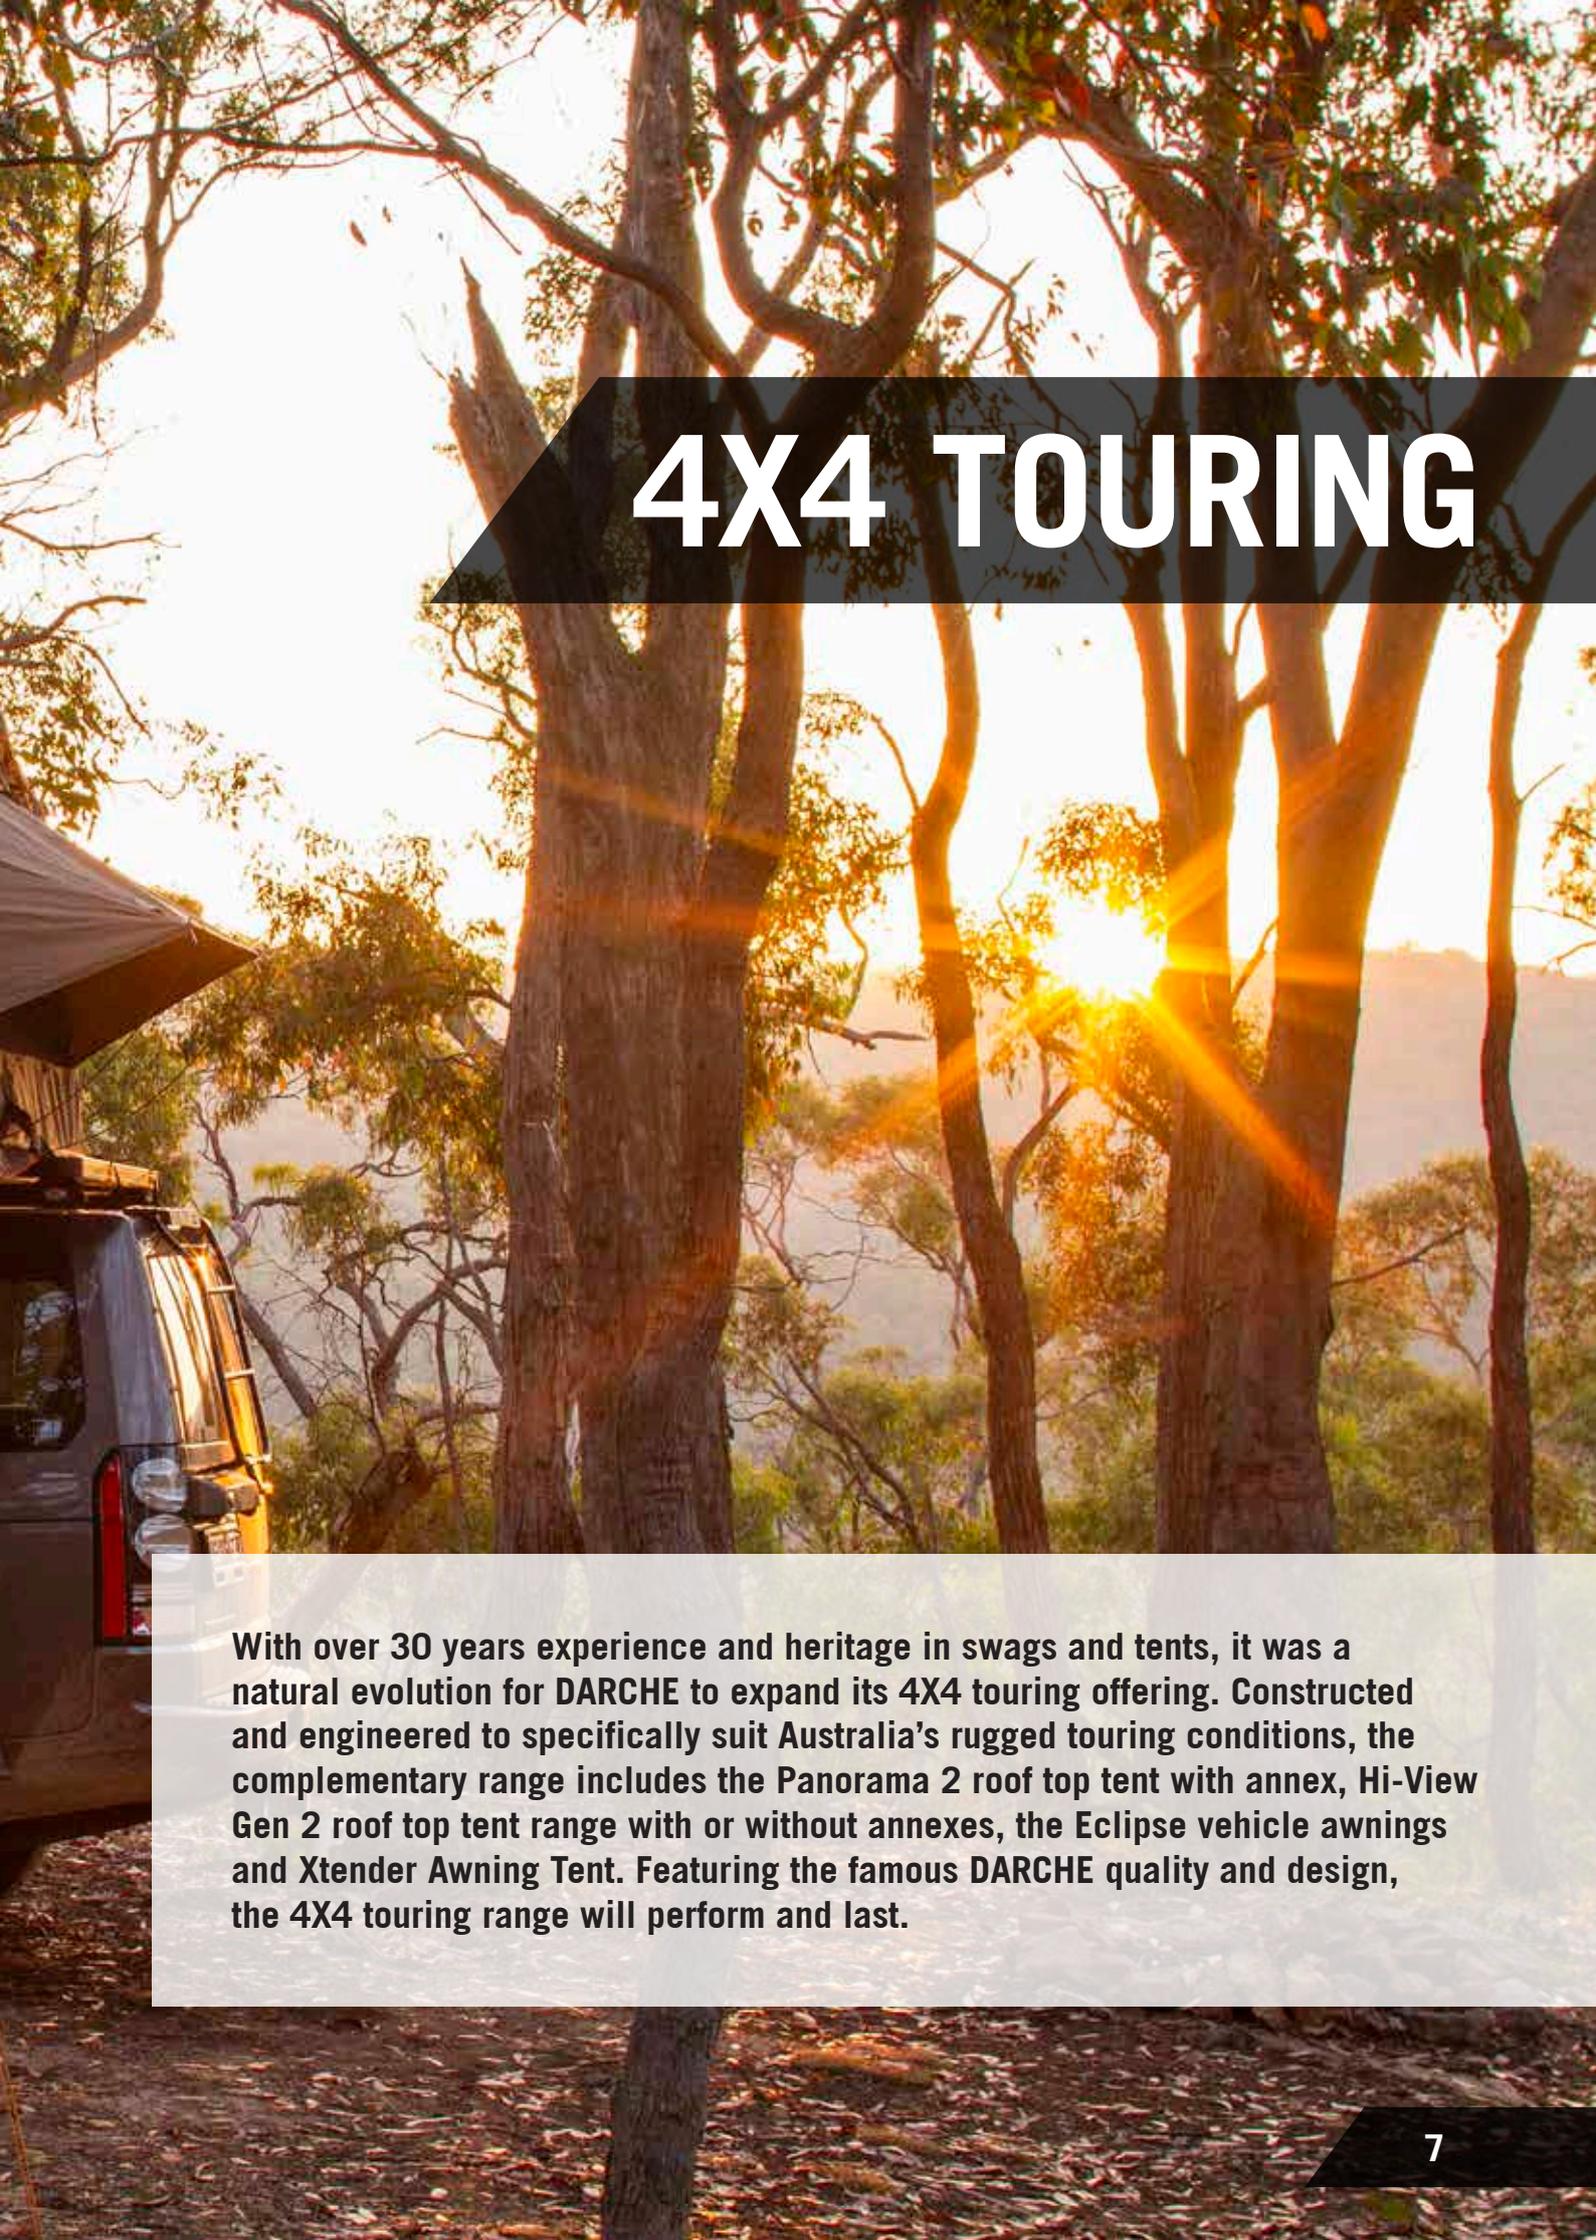

DARCHE® products are designed for 4x4 touring, camping, fishing and hunting, and are tried and tested by people who live and breathe everything outdoors.

We use superior quality materials, and constantly innovate, refine and develop new materials, designs and technologies to ensure DARCHE® remains one of the most respected touring brands globally.

DARCHE® is proudly owned by the Charles Parsons Group who bring over 100 years of textile experience, product development and strategy to compliment DARCHE®'s extensive outdoor expertise.

## **WHATEVER GETS YOU OUTDOORS... DARCHE® HAS YOU COVERED!**

# 4X4 TOURING

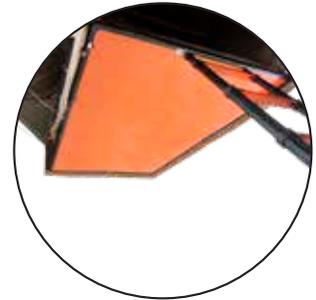

With over 30 years experience and heritage in swags and tents, it was a natural evolution for DARCHE to expand its 4X4 touring offering. Constructed and engineered to specifically suit Australia's rugged touring conditions, the complementary range includes the Panorama 2 roof top tent with annex, Hi-View Gen 2 roof top tent range with or without annexes, the Eclipse vehicle awnings and Xtender Awning Tent. Featuring the famous DARCHE quality and design, the 4X4 touring range will perform and last.

# PANORAMA 2

A photograph of a forest clearing. In the foreground, there is a large pile of sticks and branches. To the left, a small, light-colored awning is partially visible. The background is filled with tall, thin trees and dense green foliage. A black banner with the word 'AWNINGS' in white capital letters is overlaid on the right side of the image.

# AWNINGS

**One of the best additions to any touring or camping setup is a quality awning. Whether you're out for a weekend or for a year, our ECLIPSE awning range has you covered.**

**Featuring UPF50 material to block 98% of UV light and quality canvas to protect against the elements, your awning will keep you shaded and dry. Take your awning to the next level with walls and annexes to create privacy and additional rooms.**

# ECLIPSE 270° GEN 2 AWNING

- 11.5m<sup>2</sup> of cover easily mounted to vehicle
- 2 models – Australia Passenger side / European & US Driver side T050801743; and Australia Driver side / European & US Passenger side T050801743D
- Designed as a freestanding unit for easy set up and pack down only
- Easily set up by one person
- NEW aluminium hinge system. Hinged from both ends, the awning spans along the full length of the vehicle, as well as wrapping around the rear, offering additional undercover area compared to other general market offerings

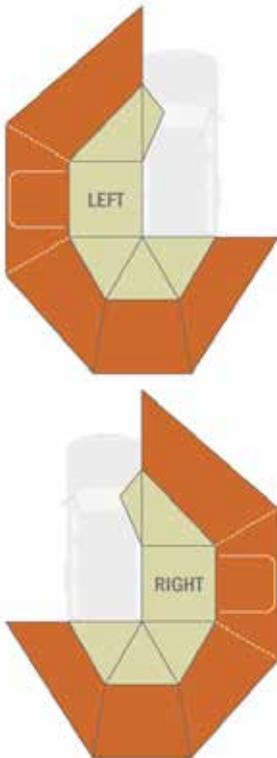

- The Eclipse 270° Awning features 3 pivoting alloy telescopic leg poles which are neatly stowed along the rafter when packed away
- 3 additional leg poles in a separate carry bag are also included
- NEW stronger 320gsm/9.5oz poly/cotton grid ripstop canvas
- 1500mmH2O/2psi PU waterproofing with HF seam sealing
- NEW lightweight box tube alloy rafters
- Optional walls available (sold separately)

*Ensure awning is anchored with supplied guy ropes, pegs and poles at all times when in use.*

**DARCHE**  
KEEP TO REMO 1100

A green swag tent is pitched in a forest of tall, thin trees. The tent is supported by a metal frame and is partially covered by a dark tarp. The background is filled with the trunks and branches of trees, creating a dense forest scene.

# SWAGS

Designed to withstand harsh Aussie conditions, the DARCHE swag range will keep you comfortable all year round, no matter where you camp. Popular models such as Dusk to Dawn and Dirty Dee swags are feature packed with proofed polyester-cotton ripstop canvas, heavy duty waterproof PVC bucket floor and 70mm / 2.75" high-density covered foam mattress to name a few.

## AD SWAG

MODELS: 900, 1100, 1400

### THE NEXT GENERATION AIR-VOLUTION™ SWAG

The next generation AD Swag will see camp being set up faster than ever before. With one inflation point, the high capacity hand pump will inflate the entire swag in less than 20 seconds

*Australian Patent No. 2015100383*

**TIP: Convert the storm covers to awnings and create ultimate ventilation with DANCHE Swag Awning Poles (sold separately).**

- Inflatable swag with single inflation point
- Two way entry with storm covers/awnings
- Storm covers convert to awnings with additional poles (poles not supplied)
- Under canopy full zip down head and foot ventilation windows
- 50mm/2" poly/cotton covered hi density foam mattress
- High capacity low pressure hand pump with hose and pressure release valve to prevent over inflation included
- 320gsm/9.5oz proofed poly/cotton ripstop canvas
- 800mmH2O / 1.14psi PU waterproofing with internal seam sealing
- 80mm/3" dia TPU swag body air pole
- Durable 210gsm/6oz PE pole sleeve
- Super fine 125gsm/3.7oz insect mesh
- Heavy duty, HF welded, laminated 600gsm/18oz PVC bucket floor
- Black 600D Polyester bag with side grab handles included

# ECLIPSE 180/270 EXTENDED BRACKET

- Designed to fit most common roof rack configurations. However, with the ever increasing number of roof rack designs available it is difficult to supply a mounting bracket to accommodate all.
- With the addition of DARCHE's Channel bolts, the longer optional bracket is the perfect solution for attaching your DARCHE awning to a platform style roof rack.

- The bracket can also be mounted on roof bars, however, additional specific attachments may need to be sourced from your roof rack supplier. If in doubt, please visit your roof rack specialist for specific roof rack mounting options and advice on load capacities.
- Sold individually
- Product Code: T050801751B

# CHANNEL BOLTS

The DARCHE Channel Bolts provide the perfect solution for anchoring and mounting DARCHE Awning brackets and a wide variety of accessories to roof trays and roof bars

## Each pack contains:

- 2 x M8 x 25mm Stainless Steel Channel Bolts (Base – 34mm x 19.5mm)
- 2 x M8 Nuts
- 2 x M8 washers
- 2 x M8 Spring Washers
- Product Code: T050801850
